12/24/04	A04-08-012	California-American Water Company, for Authority pursuant to Public Utilities Code Section 454 to Restructure and Consolidate its Rates for its Monterey and Felton Districts.
----------	------------	--

Summary: On December 21, 2004, Mark Stone, Supervisor of the County of Santa Cruz (County), met with Cmmr. Lynch in San Francisco. Also present were Darwin Farrar, advisor to Cmmr. Lynch, and Miriam Stombler, Assistant County Counsel, for the County. The County stated that it had concerns about and opposed California American Water Company's (CalAm) proposal to consolidate its Felton and Monterey Districts for ratemaking purposes; that the County was disappointed with the quality and incompleteness of Cal-Am's filing in its consolidation application; that the County needed clarification as to how CalAm's recent tender of new General Rate Cases for Felton and Monterey affected CalAm's consolidation proposal; that the County was concerned that the timeline in the consolidation case did not allow for adequate exploration of the issues presented; the County did not believe CalAm had presented sufficient information on the impacts of its proposal; and the County was concerned about any impact a Commission decision might have on the Mello Roos Community Facilities District formation process.
